

## **Certificate in Waxing Depilation including Eyelash & Eyebrow tinting (WDE 101)**

Waxing is a very profitable treatment; students will learn practical and commercial skills for success in a business environment. You will receive training in professional waxing skills. Students will practice on each other before performing this treatment in the school's day spa for clients. You will be building confidence and skills gradually and gain valuable experience in a 'real life' setting before you leave school and enter the industry.

As an added bonus, you will also learn eyebrow and eyelash tinting. This course will include how to assess the client's colour match and other important characteristics. Understand and explain mixing the tints and how to apply whilst protecting the surrounding skin. You will also be taught effective tweezing and the removal of hair to minimise client discomfort.

This course includes:

- Techniques for hair removal from all areas of the body and face
- You will learn different types of waxing products
- You will study the structure of the hair and how hair grows
- Post treatment care techniques
- The contra indications to waxing
- Client consultation/counselling techniques
- Eyelash and Eyebrow enhancement techniques
